

## VETTER Quality Label

Through the successful completion of the VETTER e-learning course and by joining the international VETTER network, this VETTER Quality Label certifies the alignment to the Erasmus+ VETTER project values to promote the improved experience of vocational education and training (VET) placements, the quality of life at work, and synergies between organisations and VET centres for a better management and coordination of work placements.

The Erasmus+ VETTER Project is funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA).
